ABOUT US

Established in 2018, Lepše-Lepše antiaging centre provides treatments with latest-generation lasers and other non-surgical methods of beauty care.

Our treatments for the face, neck, décolletage and other regions provide rejuvenation, elimination of problems and slowing of the signs of aging. We also offer permanent hair removal from all areas of the body, removal of tattoos and semi-permanent make-up, various types of massage and hair regeneration.

Besides therapeutic knowledge and experience, modern antiaging procedures also require reliable high-tech equipment. These are lasers and other devices that enable precise, painless, comfortable and effective treatment, with minimal or no recovery time. All lasers and other devices at Lepo-Lepše antiaging centre have a certificate of compliance (CE) with the relevant EU directives.

The therapists at Lepo-Lepše antiaging centre have the following certificates:

- Dr. med. Christine Schrammek derma.cosmetics Certificate
- Dr. med. Christine Schrammek GREEN PEEL Certificate
- Xian TaiBo Electronic Technology Co. Ltd

The Lepo-Lepše company has the following certificates:

- Dr. med. Christine Schrammek derma.cosmetics Certificate / Dr. med. Christine Schrammek GREEN PEEL Certificate
- DermaOXY Certificate

B2B OFFER

For companies and organizations that have a need or desire to provide their staff with beauty care treatments that are relevant for their business, Lepše-Lepše antiaging centre has a special B2B offer.

Special arrangements with legal entities are possible. The contract defines the conditions and the payment regime.

If it is important for all or some of your staff or close associates to look well-groomed at all times, to radiate freshness and be satisfied with the shape of their bodies, we offer two options:

1. Special packages of regular agreed treatments

Depending on the needs of the company or organization, we will prepare a staff treatment package that the company or organization can pay against a monthly invoice.

2. Special payment conditions for staff

For the personal needs of your staff or external associates who wish to pay for treatments for themselves or their family members at a lower price and delayed payment conditions, we provide a special offer.

Interested companies or organizations, or their staff unions, can contact us at the e-mail address office@lepo-lepse.rs. We will arrange a meeting to present our services and discuss the elements of the B2B company offer.
